MESSAGE FROM MRS DRAPER...

This week's Open Evening was a wonderful reminder of what makes our school such a special place. Welcoming new families and visitors gave us the opportunity to see our school through fresh eyes—and to appreciate just how much we have to be proud of. Visitors often comment on the positive atmosphere that can be felt the moment they walk in, and I couldn't agree more. Parents' Evening will take place on Thursday 13th November. Please ensure you book your slot as soon as possible so that we can continue to work in partnership with you and your child.

SHOW RACISM THE RED CARD!

This week, Y6 were very lucky to be invited to attend a workshop at the Brick Community Stadium.

The focus of the day was to 'Show Racism the Red Card' and children spent time learning about this topic in more detail. In addition to this, the children were given the opportunity to have a stadium tour and even access the family zone (an indoor play centre.)

Year 6 really enjoyed their day on Tuesday learning about such an important topic and just before leaving, they even had chance to meet some of the Wigan Athletic players – what a fantastic experience for all!

GIRLS FOOTBALL

On Monday, our girls football team attended a football tournament at Williams Fosters in Ince. This event gave the children the opportunity to showcase some of the skills which they have been practicing with Paul, our football coach.

The girls really enjoyed being part of a competitive event and hope to attend more events like this later on in the year - well done girls!

PUBLISHED WRITER!

Well done to Connie in Y5 who entered a Young Writer's competition in her own time. Her creative writing was selected to be published in the 'Young Writers' Annual Showcase 2025' collection. Well done on an amazing achievement Connie! #WITHOUTLIMITS

COFFEE, CAKE & CALCULATIONS

Thank you to all our Y6 parents who joined their children on Friday morning for a Maths lesson with Mr Collins.

Parents and children alike were put through their paces, covering a range of topics such as fractions, decimals, multiplication and more.

It was great to see everyone get stuck in together!

SAFEGUARDING: Friday Focus...

Halloween and Children's Safety - Child Accident Prevention Trust

Halloween can be an exciting time of year for children, dressing up and going out after dark. But, whilst Halloween is supposed to be spooky there are some horrors that families will want to avoid.

So, here are some top tips for a safe Halloween that you can remember for all the right reasons.
