

To all our children at Bedford Hall Methodist,

ALL the staff at Bedford Hall Methodist are just SO EXCITED about being back together with you again next week. We have missed seeing you all in school over the last term and really look forward to being a 'family' once again.

We understand that the last couple of months will have been so different in many ways due to lockdown: learning at home, not being able to mix and play with your friends, not being able to travel or visit places you may usually go...

Although you have all given your very best whilst learning at home, we know it is not the same as being with your friends and learning as part of a class.

That's why we want to make your first week back at Bedford Hall Methodist 'special.' We have named this week:

#BedfordReunited.

All the staff have planned a range of exciting activities for you to do across the week linked to a very special 'surprise.' OHHH IT'S EXCITING!

We know that some of you may feel a little bit nervous or anxious about returning. That is perfectly normal and staff will be on hand to support you every step of the way. We are a family!

Next week there will be opportunity to catch up with friends, be creative and play whilst reflecting on this period of history. We are all part of 'history' and from this we have so much to hope for in the future.

After a jam packed week, we want to have the opportunity to celebrate being back together with a special Friday afternoon treat – which you will plan with your teachers. On Friday 12th March, you can come to school in your own clothes. Following the theme of the week you can either come to school dressed as a Key Worker (someone whose job has been critical in fighting COVID 19) or in brightly coloured clothes which express who you are!

In addition to this, over this half term, you will all have the opportunity to be part of an exciting art project led by our school Chaplain, Vicky and Mrs Gregson. You will be creating an amazing piece of art work for our Worship Space in our Entrance Hall.

We know many of you will have also earned 50 or even 100 dojos during lockdown. As we have a very busy first week planned, you can come to school in your own clothes on Monday 15th March.

So without saying too much more, there is lots to look forward to on return to school! Remember we care so much about each and every one of you and we will continue to support you every step of the way.

Howard and Amelia, Head Boy and Head Girl, send this special message to you all too:

'We're so excited to see you on Monday! We hope you kept safe over lockdown and did plenty of work! We hope you are excited to come back to school and be part of our school family again.'

We hope you all have a lovely weekend. We very much look forward to seeing you all again on Monday morning and together, carrying out our school's vision to Learn, Love, Live: Without Limits.

Best wishes,

Mrs Burkes and all the staff at
Bedford Hall Methodist Primary
School.

'What day is it?', asked Pooh.

- 'It's today,' squeaked Piglet. ●
- 'My favorite day,' said Pooh." ●
