This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2023/24)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
Opt in to LLG Service Level Agreement (I1 – staff knowledge)	Subject Leader knowledgeable about national and local updates, network with local schools and create competitive opportunities for pupils.	Opted in for 24-25
Daily PESSPA opportunities Y1-Y6 (I1 – staff knowledge and I2 – increase engagement)	PB data show that as a result of confident and knowledgeable teachers, ALL pupils, irrespective of their gender or special educational needs and abilities, make at least good progress from their starting points.	Continue daily exercise. Consideration around 'Active learning' eg exercising while practicing or remembering key knowledge from a different subject.
Using Sports Crew and Play Leaders to increase Active Play at lunchtimes for KS1, and Wigan Athletic for KS2 (I2 – increase engagement)	Pupil Voice shows that pupils enjoy taking part in the structured games and play. They can discuss games that they like to play and know how this improves their physical and mental health. Leadership skills developed across KS2.	Change lunchtime times so Reception can also benefit from structured play via play leaders.
Additional swimming provision for Y6 (I2 – increase engagement)	Initial class assessment – May 2024. Percentage pupils passed = 45%. This was increased to 74% after intensive additional sessions over a 2 month period.	Continue to utilize minibus for small group lessons in this way

Weekly certificates and newsletter around showing 'The Spirit of the Games (I3 – Raising the profile)	Models to parents and pupils what is important during school sport and physical activity, showing that everyone can be successful.	Give certificates at the end of the PE lesson so a thorough explanation linked to the lesson can be shared with real examples.
Combination posts to host competitions (I3 – Raising the profile)	Pupil voice is highly positive about use of the posts – at lunchtime and for competitive events, modelling that we are a 'sporting school'. Trust competitions and local matches have been hosted on school grounds, raising the profile of these sports for both boys and girls.	Temporary posts are needed to develop structured play on KS1.
Additional opportunities and provision (I4- Equal opps for girls/DAP)	Pupil voice has steered the after school provision – dance, football, orienteering, netball. The percentage of girls attending clubs (83%) is higher than boys (70%) despite the school split being boys 55:45 girls.	Continue to carefully track gender and age through clubs to ensure a fair offer for all.
Competitions and events (I5 – participation with competitive sport)	Full engagement with LLG Sports, Leigh Schools Rugby League and Wigan School Games has ensured that lots of pupils have had opportunities to compete – SEND, DAP, Girls, Boys, Mixed, KS1, KS2 at all levels (participation, engagement and competitive events)	Continue to engage in opportunities to maximise the number of pupils representing school in sporting fixtures and events.
