

Spring Term - Year 1

What a busy, fun filled term we have had in Year 1!

English

In English, our learning has been based around the story *Beegu*. Something strange had visited our school, and we used our teamwork skills to solve the mystery together. We then enjoyed writing our own stories about our newly designed character, Wheam. In our writing, we recounted how Wheam crash-landed on Earth, believed she had discovered the perfect place, and finally found her family. Our fantastic stories impressed all of the Year 1 staff!

Design and Technology

In Design and Technology, we have been busy designing and constructing our own moving pictures. We began by exploring different mechanisms, focusing on levers and sliders. Using this knowledge, we then designed and created our own moving pictures incorporating both mechanisms. We are extremely proud of our finished pieces and couldn't wait to take them home to share with our grown-ups!

World Book Day

We took part in the Vocabulary Parade, coming dressed as a range of impressive words including *incognito*, *weather*, *blossom*, and many more. Throughout the day, we enjoyed a variety of creative activities, such as making origami monster bookmarks. We also worked together in teams to take part in a World Book Day quiz, which was great fun and encouraged teamwork.

Class Assembly

In February, we shared the love during our class assembly, spreading kindness far and wide. We reflected on all the special people in our lives, both at school, at home, and within the wider community. We truly wowed our audience with a poem we had learnt by heart, *Guess How Much I Love You*, which we delivered with great confidence and pride.

You have all been absolutely fantastic and have worked so hard this half term, Year One. We are so proud of everything you have achieved and can't wait to celebrate even more of your successes in the summer term.

Have a wonderful Easter with your family and friends.

Keep shining!

Miss Whalley, Miss Curley and Mrs Baxter
