

In **Art**, we will be learning about collage artist Kurt Schwitters. We will explore his artwork and create our own art taking inspiration from his work. This may inspire some of us to seek careers in the world of arts and fashion.

Our **DT** topic will be food technology where we will explore, design and make bread. *An understanding of designing and baking could lead us into a career as a baker.*

## PSHE

Summer 1 - Being My Best!  
We will focus on our star qualities, independence and responsibility.

Summer 2 - Rights & Respect  
- We will focus on rights, respect, duties and peer

*Our personal development offer to pupils this term is:*

- A personal best target in PESSPA focusing on athletic skills.
- Continuing to think about what random acts of kindness we can carry out for others.
- Taking part in the Colour Run to raise money for school funds.

In **English**, our book in Summer 1 is 'The Paperbag Prince' by Colin Thompson. The book focuses on looking after our environment.

In Summer 2, our final book is 'Radiant Child' by Javaka Steptoe.

Our books will inspire writing across a number of genres, including narrative, diaries, letter writing and more.

Many of our future careers will depend in these skills.

*Perhaps some of us will go on to be journalists?*

In **History**, we will be learning about the legacy of the Ancient Greeks and their influence on the modern world. *Learning about what Ancient Greek artefacts may inspire a future career as an archaeologist!*

In **Geography**, we will develop our locational and place knowledge. We will study and compare two areas: Brazil and the Province of Grenada (Spain).

*We will consider possible future careers in town/urban planning.*

# Year 5 Summer 2026

In **Science**, we will be studying biology:

- Summer 1 - Animals including humans
- Summer 2 - Living things and their habitats.

*This important knowledge may inspire some of us become vets or seek other work with animals in the future.*

In **computing**, we will be learning how to be game creators. We will learn how to create and fix algorithms and use our coding knowledge to create games.

We will also be learning how to use and create concept maps.

Our **R.E.** enquiry focus this half term is: 'What Would Jesus Do?' We will learn about the Gospel and several parables. We will also consider how Christians can show their faith through charity.

In Summer 2, our focus is: Anti-Racism, a Methodist unit.

Our **PESSPA** focus for this term is athletics. We will be developing our skills ready for School Games Day.

In **Maths**, we will be studying statistics, shape, and position and direction including different types of angles. We will look again at decimals before moving on to negative numbers and measurement. This links to many possible future careers in research and marketing using statistics or carpentry and building using knowledge of geometry

In **Spanish**, our topics are 'Out of this World' and 'At the Seaside'. We will be learning the new Spanish nouns, how to put them into sentences. We'll also be practising our translation skills lots!
