

Autumn 1 - Year 4

Year 4 have made a fantastic start to the year.

In **Maths**, we have been learning about thousands - 4 digit numbers in Year 4! We have also been brushing up on our addition skills and practising our times tables using TT Rock Stars.

In **English**, our book 'Jumanji' inspired us to create our own board games, as well as write the instructions and then a persuasive advert thinking about who we would like to buy it.

In **History** we have learnt a little bit about the Romans and the impact they had on Britain and why Hadrian's wall was built. We have also been brushing up on our **Geography** skills by locating the Equator and Northern and Southern Hemispheres.

In **Art**, the children have been working extremely hard with Mrs Young and Mrs Gregson on their Methodist artwork which looks amazing, as well as decorating a rock for the 'You Be You' area in the courtyard.

In **PESSPA**, we have been practising our gymnastics skills, putting together our own routines which included: how to travel; a balance and a roll, as well as teamwork. We have also been working on our personal best to help with our resilience in distance running.

Wow! What a busy half term it has been.
Well done Year 4!
