

Autumn 2 - Year 1

It has been another very busy half term in Year 1!

RE

In RE this half term we have been thinking all about giving, we have explored why we give gifts and also thought about the invisible gifts we give to others everyday which are so important such as a smile or a hug. We have also explored the work of the charity The Samaritans Purse and we designed and created shoeboxes to donate to the charity. Our Shoeboxes have now been posted of and we hope they bring a smile to someone's face on Christmas Day!

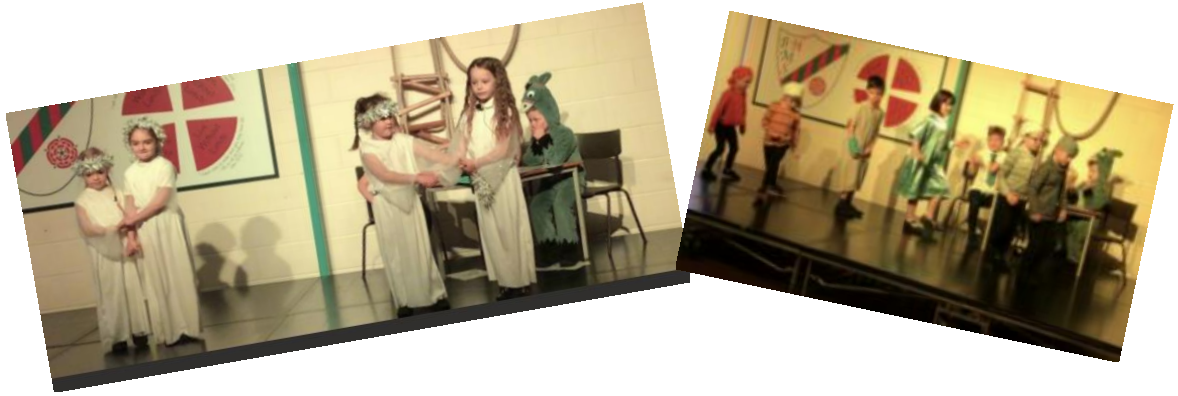

Design and Technology

In Design and Technology we have been busy designing and constructing windmills. We first explored what windmills are used for and found out that they can be used to make flour or electricity! We then went on to design our own windmills and then created our structures and explored ways to make them stiffer and stronger. We were also super impressed when we worked out how to make our blades turn just like a real windmill!

Nativity

We all took part in the Key Stage One Nativity. Our singing was fantastic and our dancing was incredible! Some of us even had the opportunity to show off our dance moves on the stage. We made all of our teachers very proud and received a huge round of applause from the audience!

You have all worked incredibly hard this half term Year One. We hope you all have a magical Christmas break and we will see you in January for our next adventure!

Keep shining!

Miss Whalley and Mrs Baxter x
