

PSED

We will be developing our skills in communicating and managing our feelings.

CLL

We will be working on our conversation and discussion skills with a focus on responding to how and why questions.

PD

The PE focus for this term will be athletics. We will also continue work on activities that develop our fine and gross motor skills.

EAD

We will be painting and drawing our own aliens as well as using sewing skills to create our own stuffed alien toy! We will also construct various planets.

Maths

We will be continuing to develop our knowledge and understanding of number including the composition of numbers to 10. We will also learn about and explore the division of objects into equal and unequal groups.

Exploring Outer Space

This half term we will be exploring space and the planets. This theme will run throughout the majority of our learning areas including English (Aliens Love Underpants), Art, and Understanding the world.

Literacy

We will continue our phonics work through the RWI scheme and will use this to enhance sentence building, labelling, and the use of adjectives. Various books will also be used to support this including Aliens Love Underpants.

Understanding the World

We will be learning all about space, including exploring the planets, discovering their similarities and differences with Earth, and studying the moon landing. We will also continue to develop our IT skills and the use of software.

Spring 1

Important Messages

Children need to bring a coat each day

Snack money - £1 per week

PE kit to be worn to school on a Friday

Ensure all clothing and school bags are named

Update Tapestry with any of your WOW moments

Home Learning

This half term we would like you to participate in a home learning activity.

Activity

Make a creation based on exploration of outer space. You could make a model rocket, or paint a picture of the stars, or draw the moon!

To be in school by **31.01.22**
