

### English

This half term we will be using the book 'The Lost Thing' by Shaun Tan to inspire our writing.. The book has also been made into a short film and we will be comparing the two. The class will be continuing to look at speech, writing a sequel to the story when Shaun meets the Lost Thing again and also thinking about writing in first and third person. We will be continuing to practise our cursive handwriting and spellings.

### History

This term we will continue to learn about the Anglo-Saxons and Scots as well as the Vikings.

### Geography

We will be using our geography skills learned in Autumn term to look at allocation in Europe : The Province of Granada in Spain. We will improved our human and physical geography skills by looking at settlements and land use and we will then compare the geographical similarities and differences to Liverpool.

### Science

The children will be learning about 'electricity'. They will explain ways that electricity is generated, identify electrical appliances and the type of electricity they use, identify complete and incomplete circuits and explain how a switch works and why they are needed.

## Curriculum Newsletter Year 4, Spring 1

### PE

The children will be covering outdoor and adventurous activities.

### PSHE

We will be learning about growing and changing including 'My feelings are all over the place'.

### Art

The children will be studying the artist L S Lowry by looking at a variety of his work and then using his techniques, produce their own piece of art.

### Personal Development

The children will be working on their throwing for accuracy skills, building up their resilience and stamina for learning and understanding our school vision 'Love Without Limits'.

### Maths

This half term we will be looking at efficient multiplication and written methods, multiply 3 digit x 1 digit numbers and dividing 2 digit by 1 digit numbers. **We will also be continuing to practise our times tables for our Test in the summer term.**

### Spanish

Our topic this half term is 'Family tree and faces'.

### Computing

This half term the children will be learning about different audiences to communicate.

### RE

We will be looking at the Big Question— Why is pilgrimage important to some religious believers?
