

PSED

We will be developing our self-regulation; circle times will support and enhance this.

CLL

We will be working on our communication, confidence, and expanding our vocabulary through sharing various stories.

PD

The PE focus for this term will be games. We will also continue to develop our fine motor skills through weaving, threading, etc.

EAD

We will be constructing our own beanstalk and castle models alongside working on colour mixing. We will also create artwork using the weaving technique.

Maths

We will be continuing to develop our knowledge and understanding of number and number patterns (specifically the composition of numbers within 10) in addition to revising and expanding knowledge surrounding 2D and 3D shapes.

Everything Grows with Love

This half term we will be learning all about nature and how plants grow and change over time. This theme will run throughout the majority of our learning areas including English (Jack and the Beanstalk), Art, and Understanding the world.

Literacy

We will continue our phonics work through the Read, Write, Inc scheme before then applying this knowledge in our written work – specifically to support writing instructions. Various fairy tales will also be used to enhance our writing.

Understanding the World

We will be learning all about different aspects of nature including growing our own plants, how these and others grow and change over time, and comparing contrasting environments. We will also learn about the Easter story.

Spring 2

Important Messages

Children need to bring a coat each day

Snack money - £1 per week

PE kit to be worn to school on a Friday

Ensure all clothing and school bags are named

Update Tapestry with any of your WOW moments

Home Learning

This half term we would like you to participate in a home learning activity.

Activity

Share your interpretation of nature through any art form. Eg - You could make a model of your favourite flower or do some leaf printing.

To be in school by **18.03.22**
