

RE

In RE we will be learning about special and holy places within different religions.

CLL

We will have daily class discussions centred around open questions based on our topic/familiar story to enhance communication.

PD

The PE focus for this half term will be dance. We will also continue to develop our fine motor skills through various methods.

EAD

We will be using various methods to create art pieces including printing with fruit, digital art, and creating our own fruit kebabs.

Maths

We will be continuing to develop our knowledge and understanding of the composition of numbers within 10, alongside progressing our number knowledge of numbers to 20. We will also be working on subtraction.

Healthy Living

This half term we will be learning all about healthy living and how to ensure that we lead a healthy lifestyle. This theme will run throughout the majority of our learning areas including English (Olivers Fruit Salad), Art, and Understanding the world.

Literacy

We will continue our phonics work through the Read, Write, Inc scheme before then applying this knowledge in our written work – specifically to support the reading and writing of expanded sentences (including connectives).

Understanding the World

We will be learning all about how to keep our bodies and minds healthy, with a focus on healthy eating, teeth brushing and wellbeing. We will also develop our geographical knowledge and our mapping skills.

Summer 1

Important Messages

Children need to be dressed for the weather each day (sun cream may be necessary on hot days – to be applied at home before school)

Snack money - £1 per week

PE kit to be worn to school on a Friday

Ensure all clothing and school bags are named

Home Learning

This half term we would like you to focus on phonics and maths at home.

Activity

Reading and writing using phonics knowledge (all letter sounds as well as qu, nk, ng, ch, sh, th), and recognition and composition of numbers to 20.
