

## Year 1 - Summer 1

In **English** we received a letter from our local police station asking for our help to solve a range of crimes that had happened in our local area. We looked at a range of evidence including a silver sparkly shoe, a packet of magical seeds, a bread crumb trail, a witness statement, a large cooking pot and much more. We investigated each of the crime scenes carefully and came up with a range of questions to help the investigators. We were so relieved to hear back from Sergeant Walker at the police station who informed us that the culprit was the Big Bad Wolf and has been caught and was awaiting sentencing. He thanked us for all of our hard work in helping to catch the criminal! Year One were absolutely fantastic in investigating the crimes!

In **Design and Technology**, we have been busy designing and creating our own underwater sea theme moving picture. We incorporated two moving elements in our designs by creating the mechanisms of a lever and a slider. We were so proud of our finished products!

In **SCIENCE** we have been learning all about plants and trees. We worked in teams to categorise trees into evergreen and deciduous trees. We have also planted sunflower seeds and are enjoying watching them grow in class, we can't wait to see whose will be the tallest!

Well done on yet another fantastic term Year One!  
We can't wait to see what fun awaits us in our last  
half term in Year One!

Miss Whalley and Mrs Baxter
