Hi, my name is Ivan!

I am 9 years old and I go to Koch Goma primary school. My favourite food is beans because it is nice and I love the colour red, I think it is beautiful. My favourite animal is a cow because it helps us to dig the garden.

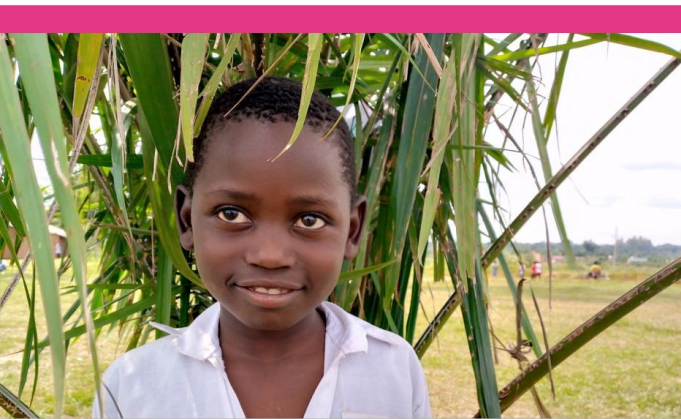

In my spare time I like playing football. At school, my favourite subject is English. In the future I would like to be a teacher so that I can teach others.

I want to say to my supporters,
thank you for helping me.

Hi, my name is Fiona!

I am 9 years old, and I go to Koch Goma primary school. My favourite food is green vegetables, they are so nice. My favourite colour is white, and my favourite animal is a cow, because they give us milk.

In my spare time I like playing netball. At school, my favourite subject is writing. In the future I would like to be a teacher so that I can teach pupils.

My favourite thing that happened this year is that I joined the Edukid programme and got to go to school! I want to say thank you to my supporters for paying my school fees.
