

Autumn 1 - Year 3

What a busy first half term we have had in Year 3! Well done on completing your first term in Key Stage 2!

English

We arrived at school one morning to see that Miss Whalley's cookbooks had been eaten it was very suspicious! Eventually we discovered it was Henry the incredible book eating boy! Over the half term we have wrote letters and stories about Henry's extraordinary talent. We have made sure to include the different grammar features that we have learnt, including: commas in a list, rhetorical questions and capital letters for proper nouns.

Maths

In Maths, we have been developing our knowledge of place value using numbers up to 1000. We have been developing our counting, ordering and comparing number skills. We have also learned how to estimate numbers on a number line up to 1000 and developed our turn taking and teamwork skills to support one another.

Harvest Assembly

We performed our harvest assembly this half term to the school and also lots of grown-ups. We worked hard to learn our lines and spoke with such confidence during our performance. We also worked together as a team to perform a harvest poem. Finally, we brought the 'house down' with our version of George's Ezra harvest song and we received a huge round of applause at the end from the audience!

Music

In music we have been learning the song 'let your spirit fly' by Joanna Mangona. We have also been learning to play the glockenspiel to the song using the notes 'C, C, F, G'. We worked as a team to perform our finished version of the song combining our singing and glockenspiel notes together to create our own piece of music.

What a busy half term it's been!
Keep up the hard work, well done Year 3!
