

C&L

We will be working on developing our sentences and increasing their length. We will continue to develop our vocabulary through our stories and discussions. Wellcomm activities will continue to support our language development.

PSED

We will be continuing to understand and name our emotions, as well as developing our self-help skills. We will also work on understanding of being healthy, including the food we eat, teeth cleaning and sleep.

PD

We will be working on our fine motor control skills. Developing our pencil control and scissor skills. We will also work on making patterns and sequences of movements to music.

Literacy

We will be working on retelling stories, understanding the features of print, and story structure. We will also work on developing our knowledge of rhyme and syllables. School ready children will begin phonics.

Maths

We will be working on our number knowledge, including accurate counting, number recognition, and less, 2D and 3D shape, capacity, weight and understanding the concepts of more and fewer.

Spring Term 1 Three Billy Goats Gruff

This half term we are using the story of Rapunzel and the Three Billy Goats Gruff as a stimulus for our work.

U+W

We will be working on understanding on how things work, looking at different materials and their uses, and how different forces affect objects.

EAD

We will be looking at the work of Michael Jantzen and using his work as a stimulus to design and build our own sculptures. We will also continue to build our repertoire of songs, and learn skills using instruments.

Important Messages

Please remember that you can share your child's learning and experiences out of school via Class Dojo.

Please continue to send your child in weather appropriate clothing. We spend a lot of time outdoors, so coats should be sent into school every day.

Snack is £1 a week or £6 for this half term, please pay via invoice at the office, or direct to the nursery staff.
