

In DT, we will create working mechanical systems using gears and pulleys. We will use our design and technical skills to create an aerial tramway model.

In PSHE, our topic will be: 'growing and changing'. We will learn about growing up and how our bodies change during this time.

Our personal development offers to pupils this term is:

- Completion of fieldwork in our local area.
- A personal best target in PESSPA focusing on throwing for distance.
- A focus on resilience and a growth mind-set.
- HH kids Smoking Workshop

In English, we will continue reading the book 'Holes' by Louis Sachar. We will use this text to inspire our writing, including a non-chronological report about a yellow-spotted lizard, setting description and narrative.

We will also complete non-fiction writing and will write an explanation text on gears and pulleys using our DT knowledge.

Year 5  
Spring 2 2024

In Science, we will be learning about Earth & Space.

In computing, we will be learning how to create and understand the data from spreadsheets.

Our R.E. enquiry focus this term is: 'Why is Easter so important to Christians?'

We will explore each part of the Easter story.

In History, we will continue our local history study of Leigh.

In Geography, we continue to learn about local settlements and complete fieldwork of our local area.

Our PESSPA focus for this term is target games. Our personal best target this term will be throwing for distance.

In Maths, we will be focusing on fractions, decimals and percentages. We will then move on to perimeter and area and statistics.

*Please continue to practise your times tables at home.*
