

In **English**, our 'Book as a Hook' is 'Island' by Jason Chin and 'Jemmy Button' by Jennifer Uman and Vaerlio Vidali. We will use these books as inspiration for our writing.

We will continue to learn how to use and apply various SPaG features to our writing.

We will practise writing in a range of genres including:

- Narrative descriptive writing.
- Character descriptions
- Suspense stories
- Poetry
- And more too.

In Poetry we will be studying the poem 'Checkin' Out Me History' by John Agard, linked to our curriculum driver DIVERSITY.

We will also be celebrating 'World Book Day' on 7th March, doing lots of fun

In **DT** we will be studying frame structures. We will be creating our own kites made from wood.

During this unit we will be using a range of tools to cut and join different materials. We will develop our design skills and work on how to improve our designs.

Our topics in **Maths** this half term are: Decimals, Percentages, Algebra and Measurement. During these units, we will focus on the following skills:

- Working with decimals.
- Understanding percentages
- Finding percentages of amounts
- Algebra - finding rules, forming expressions, forming and solving equations.
- Measurement - converting units, area (including area of triangles), perimeter and volume.

We will also practise arithmetic and times tables skills daily.

Please encourage children to complete their maths revision booklets at

Year 6 Spring 2 - 2024 Curriculum Newsletter

We will be working hard this half term revising for our SATS. Please ensure children attend all booster sessions and complete any addition homework set in preparation for the tests.

Our **RE** topic this half term is the Methodist unit 'Commitment to Christianity'. Messy Church takes place in Chapel on Weds 6th March after school. In **PSHE** our focus is 'Valuing Difference'.

Our **PESSPA** lessons this half term will focus on outdoor adventurous activities (OAA) and will take place on Wednesday afternoons. During daily sessions, we will be practising our throwing and catching skills, aiming to improve our personal best each week.

In **History**, our topic is 'Applying Historical Enquiry'. We will continue studying the validity of sources and how we know what we know about different periods previously studied. We will look at how historians find out about the past through artefacts, archaeology and fact vs fiction.

In **Geography** we will be continuing to learn about fieldwork. We will be planning and carrying out our own fieldwork enquiry in the local area, applying all the skills we learned last half term. We will then use the data from our survey to look for patterns and draw conclusions.

Personal Development:

- Daily PESSPA sessions - aiming to beat our personal best in throwing and catching.
- Y6 Roles and Responsibilities
- Local area fieldwork study in Geography
- Visit to Wigan and Leigh Archives

Our **Science** topic this term is 'Light'. We will:

- Learn about different sources of light and how we see things.
- Understand how light travels in straight lines.
- Learn about reflection and shadows.
- Learn about refraction and how we see different colours.

In **Computing**, our topic is all about Blogging. We will use Purple Mash to learn about and develop our own blogs.
