

English

In English, we will be reading the book 'Tidy' by Emily Gravett'. We will write a range of genres including diary entries, instructions and letters. We will continue to focus on including a range of adjectives, conjunctions and sentence types in our work and ensuring that our letters are formed correctly and our work is presentable.

Maths

In Maths we will be telling and writing the time, including o'clock, quarter past, half past, quarter to and five minute intervals. We will also be learning more about fractions, including finding $\frac{1}{2}$, $\frac{1}{4}$, $\frac{2}{4}$ and $\frac{3}{4}$ of a length, shape, set of objects or quantity.

Art

In Art we will be learning about Sculpture and the work of a famous local artist called Sir Anthony Gormley.

History

In History we will be learning about Significant Places and will be focussing on Leigh and Greater Manchester. We will learn about the history of these places and about changes in national life in these places such as health and safety laws and child workforce in mills and mines.

Science

In Science we will move on to our new Biology topic of 'Plants'. We will observe and describe how seeds and bulbs grow into mature plants. We will investigate what plants need to stay alive and stay healthy by growing some plants of our own.

Year 2 Summer 1

RE

In RE this half term we are thinking about the question: 'What can we learn from Christian and Jewish creation stories?'

Computing

We will begin our unit on Creating pictures looking at different types of art and using paint programs to create these.

Geography

In Geography this term we will begin our Non-European Study which will be based on Uganda. We will find out all about the location and weather of Uganda and comparing the lives of Ugandan children to our own.

Personal Development

The children will be working on their personal best for agility and co-ordination in our PESSPA sessions.

PESSPA

In PESSPA we will be taking part in Multi-sports.
