

English

This half term we will be basing our writing on the book 'Alba the hundred year old fish' by Lara Hawthorne.. We will be learning about the plural and possessive 's', plural apostrophe and plural nouns, building a varied and rich vocabulary and proposing changes to our writing. We will be writing a variety of different texts then, using everything we have learnt, we will be writing an information board about plastic pollution.

PE

The children will be covering striking and fielding games.

Maths

This half term we will be continuing our learning of fractions and decimals, including making partitioning and ordering them. We will also be learning about money and Time. **We will also be continuing to practise our times tables for our multiplication test in June.**

History

This term we will be learning about Early Islamic Civilisation including Baghdad.

Geography

This half term, we will be focussing on physical geography physical geography. We will be learning about climate zones and biomes. We will also be learning about vegetation belts.

Science

The children will be learning states of matter and will be comparing and grouping materials according to whether they are a solid, liquid or a gas and recognise that some materials can change states if they are heated or cooled.

Curriculum Newsletter Year 4, Summer 1

PSHE

We will be learning about and discussing valuing difference.

Design & Technology
