

In Art, we will be learning about collage artist Kurt Schwitters.

We will explore his artwork and create our own art taking inspiration from his work.

In English, our book is 'The Darkest Dark' by Chris Hadfield, who is an astronaut. We will be using the text to participate in discussions, presentations and debates by distinguishing between fact and opinion. We will also be continuing to practice our editing skills by proof reading for spelling and punctuation errors.

In History, we will be learning about the legacy of the Ancient Greeks and their influence on the modern world.

In Geography, we will develop our locational and place knowledge. We will study and compare two areas: Brazil and the Province of Grenada (Spain).

In PSHE, we will be thinking about healthy relationships. We will think about the qualities of people who we seek friendships with.

Year 5 Summer 1 Curriculum Newsletter

Our PESSPA focus for this term is cricket which will be carried out by Lancashire Cricket Club.

In Science, we will be studying physics and will learn about Forces.

Our personal development offer to pupils this term is:

- A personal best target in PESSPA focusing on athletic skills.
- Continuing to think about what random acts of kindness we can carry out for others.

In computing, we will be learning how to be game creators. We will learn how to create and fix algorithms and use our coding knowledge to create games.

Our R.E. enquiry focus this term is: 'Why do some believers see life a journey?' We will learn about the major events in Christian life such as birth and marriage etc. and compare these celebrations to other religions.

In Maths, we will be moving on to statistics (including line graphs) as well as studying shape and position and direction.

Please continue to practise your times tables at home.

In Spanish, our topic is 'Out of this World'. We will be learning the names of the planets and will be practising our translation skills lots!
